Please return both the representation forms and recent letters from Social Security as soon as possible, so that we can begin working on your case. **We cannot take any action on your case until we receive these forms.** I have enclosed several postage paid envelopes for your convenience.

Please remember that there is no fee unless we are successful on your case.

EXPLANATION OF FEES

We charge no fee unless we win your case. Our fee for representing you if you receive benefits is 25% of your past due benefits, with a maximum of \$9,200. **You do not pay 25% plus \$9,200. You pay whichever is less.** The maximum may be increased by the Commissioner of Social Security. Social Security must approve all fees. We do not charge a fee on the monthly checks that you receive.

The rules for representatives allow you to reimburse us for any expenses we have in order to win your case. These expenses include doctor reports, medical records, long distance phone calls, parking, photocopies and faxes. We will send you a statement for these expenses when your case is over.

FEE CONTRACT

Client Name:

Client SSN:

I hereby employ **Clauson Disability, LLC** to represent me before the Social Security in my Administration Social Security Disability case, Supplemental Security Income (SSI) case, or both.

My representative and I understand that for a fee to be payable, the Social Security Administration (SSA) must approve any fee my representative charges or collects from me for services my representative provides in proceedings before SSA in connection with my claim(s) for benefits.

I agree that if SSA favorably decides my claim(s) at any stage through the first hearing before an Administrative Law Judge (ALJ), I will pay my representative a fee equal to the lesser of 25% of the past-due benefits resulting from my claim(s), or the dollar limit imposed under 42 U.S.C. § 406(a)(2) (A) at the time of the decision. If I receive both Social Security disability and SSI benefits, I understand that my total fee will not be more than 25% of all past-due benefits, or no more than the limit set by 42 U.S.C. § 406(a)(2)(A), if the limit applies. **No representative fee will be charged if we do not win.**

If the first ALJ decision after the date of this agreement is a denial and my representative agrees to appeal and I win my case later, my representative will ask SSA to approve a fee no greater than 25% of all back benefits awarded in my case. If the Social Security Administration or Federal law raises or lowers the maximum amount to be charged by a representative, that amount will apply, including amounts which may be approved by an Administrative Law Judge. If this case goes to Federal District Court, the fee maximum does not apply. I understand that the Social Security Administration will hold out 25% of past-due Social Security Disability and/or SSI benefits and pay my representatives for this work.

In addition, if I win, I will pay my representatives back for the costs of getting medical records and copying my file.

As soon as I get any money from Social Security, I will let my representatives know and I will pay them their fee.

Instructions for Completing Form SSA-1696

Keep a copy of this form for your records

DO NOT FILE Form SSA-1696 if you do not have a claim, you are not filing a claim with this form, or there is no other case or issue pending decision with us.

In this document, "you" means the claimant, beneficiary, auxiliary, or spouse. "We", "Us", and "SSA" means the Social Security Administration.

General Information About This Form

- You have the right to appoint a qualified representative of your choice to represent you on any claim or asserted right under any of our programs. For more information on who can qualify to be an appointed representative, when your representative's appointment begins or ends, payment of fees to appointed representative(s), and other helpful information, visit our website at www.ssa.gov/representation. To locate your local field office, you can visit our website at www.ssa.gov/locator or call us, toll-free, at 1-800-772-1213.
- You may also choose to be unrepresented. We handle your case in the same manner whether you are represented or unrepresented. You do not need to appoint someone who simply helps you through the process. For example, you do not need to appoint someone who helps you come to our office, reads to you from documents, or interprets for you if you speak another language. You only need to appoint someone if that person will be acting on your behalf or appearing before us on your behalf.
- You and your representative(s) must give us accurate information as quickly as possible. Providing misleading or false information on this form or on your application, or withholding or delaying giving us evidence, could lead to possible criminal charges or administrative sanctions against you and/or your representative.

Appointing a Representative

If you are using this form to appoint a representative, complete Sections 1, 3, and 4 and enter your Social Security number in the boxes provided at the top of each page after the first page. Your representative should complete Sections 2, 5, 6, and 7 and the Representative ID at the top of each page after the first page. Both you and your representative must sign the form in Section 8. Your representative or someone else can help you complete your sections of the form, but you must sign the form in Section 8. You or your representative must submit the completed form to us before we will recognize your representative. You can electronically upload it, mail, fax, or eFax it to us or file it in-person at your local field office. Do not file this form with your local State Disability Determination Services office. If you are appointing multiple representatives, use separate forms for each representative.

Section 1 - Reason for Submission and Claimant's Information

Complete all the information, including your Social Security number. If you are filing your claim on someone else's Social Security record, this person is the "number holder", and we need the number holder's information to process your claim. To assist us in processing this form, tell us why you are submitting it by checking all applicable boxes in the "Reason for Submission" section.

Section 2 - Representative's Information

Your representative must complete the information in this section.

Section 3 - Claimant's Principal Representative

If you have more than one representative, use this section to name the person you want to be your principal representative. We will make contact and send notices to this person. If you name a new person here, any principal representative you named before will no longer be your principal representative. Your prior principal representative is still your representative unless you revoke the appointment with a separate writing that you sign, date, and file with us.

Section 4 - Claim Type

In this section, check all types of claims or issues for which you are appointing this representative.

Section 5 - Representative's Status, Affiliations, and Certifications

- **Part A - Representative's Status, Disqualifications, or Suspensions** - Your representative must complete this section to let us know the representative's status as a professional.
- **Part B - Representative's Affiliation Information** - If your representative is seeking a fee and chooses to designate an affiliate (business, firm, or other organization) for this claim, the representative should complete this section and give us the Employer Identification Number (EIN) of the affiliate entity. If your representative does not want to designate an affiliate entity for this claim or does not qualify for or seek direct payment in this claim, they should check "No EIN".

Section 5 - Representative's Status, Affiliations, and Certifications - continued

- **Part C - Assignment of Direct Payment of Authorized Fee to an Entity** - If your representative wants us to pay directly to the entity identified as an affiliate in Part B any representative fee we authorize, the representative must check the entity and the "Assignment" box in this part of the section. We will send the appropriate tax forms to both the entity and the representative. For more information on Forms IRS 1099-MISC or -NEC and employer registration, visit our website at www.ssa.gov/representation.

If your representative wants to rescind (cancel) their prior assignment and make a new assignment to a different entity, they must provide the information for the new entity in Part B of this section and check the *Assignment* box in this part of the section.

If your representative wants to rescind (cancel) their prior assignment to an entity and receive direct payment without assigning to a new entity, they must check the *Rescission* box in this part of the section.

- **Part D - Representative's Certifications** - Your representative must also certify the accuracy of all statements in this section.

Section 6 - Fee Arrangement

This section reflects you and your representative's agreement on payment of a fee, waiver of direct payment of a fee, or waiver of a fee. Generally, to charge a fee for services, your representative must get our approval. Your representative may waive their right to charge you a fee or tell us that a third-party entity (business, government agency, or organization) will pay the fee. In these situations, the third party must pay out of its own funds the fee and any expenses, and you and any auxiliary beneficiaries (e.g., children or spouse) must be free of any responsibility to pay any fees or expenses.

Section 7 - Other Claimants

If auxiliary claimants, such as your children or spouse, have not appointed their own representative(s), list their names and Social Security numbers in this section.

Section 8 - Signatures

If you are appointing a new representative, both you and your representative must sign the form in this section.

If you or your representative are submitting this form to update information relating to your existing appointment of this representative:

- You must sign this form if you are updating the information in Section 3.
- Your representative must sign this form if updating the information in Section 5.
- Both you and your representative must sign this form if updating the information in Sections 4, 6, or 7.

Privacy Act Statement
Collection and Use of Personal Information

Sections 206 and 1631(d) of the Social Security Act, as amended, allow us to collect your information, which we will use to verify the appointment of your representative and their acceptance of the appointment. Providing this information is voluntary, but not providing all or part of the information may prevent us from assisting you with the request. As law permits, we may use and share the information you submit, including with a congressional office, Federal, State, and local agencies, and others, as outlined in the routine uses within System of Records Notices (SORN) 60-0089, 60-0320, and 60-0325; available at www.ssa.gov/privacy. The information you submit may also be used in computer matching programs to establish or verify eligibility for Federal benefit programs and to recoup debts under these programs.

Paperwork Reduction Act Statement

This information collection meets the clearance requirements of 44 U.S.C. §3507, as amended by Section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 30 minutes to read the instructions, gather the facts, and answer the questions. You may send us your comments on our estimated completion time to **SSA, 6401 Security Blvd., Baltimore, MD 21235-6401**. Send only comments relating to our time estimate to this address, not the completed form.

How You Can Get Information About Medical Coverage Available To You

In the event that you are approved for disability benefits, you may be eligible for Medicare, Medicaid, Medicare Advantage, Prescription Drug Plans, or other medical insurance coverage. As a free service to you, we work with the Health Benefit Coordinators to provide you important information and education regarding your Medicare when your entitlement becomes available.

In addition to helping you understand your Medicare entitlement, our Health Benefit Coordinators may provide you an opportunity to speak to one of their insurance agency partners who can provide you with additional information about insurance coverage options that may be beneficial to you. There is no cost to you for speaking with the Health Benefit Coordinator for the consultation with an insurance agent. Additionally, your information will only be shared with an insurance agent with your permission.

Our office receives compensation for sharing this information with you regardless of whether you obtain insurance coverage through one of the partner agencies, and there is no obligation to work with the agent or agency you are referred to. You may obtain information about your insurance coverage options from another properly licensed insurance agent of your choice.
